At Pinnacle, we pride ourselves at putting the customer's needs first. Our management is hands-on and you will find them on our job sites each day assuring top quality work and professionalism. In the construction industry, it is inevitable that questions, changes, and sometimes even problems occur, that is why our management team is available by phone, to meet in person, answer questions, address concerns, and then respond quickly to ensure quality results for your project.

# HOW WE WANT TO HELP

We believe communication is the key component to great customer service. Starting the first time you meet us, you'll know what's happening each step of the way. We provide project schedules, status communications and personal attention from every team member working on your project.

## Our Services

### **ASPHALT RECONSTRUCTION**

WE CAN COMPLETE YOUR ASPHALT PAVING PROJECT START TO FINISH. DEPENDING ON WHAT YOUR PROJECT NEEDS, WHETHER YOU NEED A SMALL PATCH, PAVEMENT REPLACEMENT, OR ARE STARTING FROM SCRATCH, OUR CREW CAN HANDLE ANY PROJECT. ONCE THE PROJECT IS COMPLETED, IT IS CRUCIAL TO ADHERE TO PROPER ASPHALT MAINTENANCE TO ENSURE THE LONGEST LIFE POSSIBLE.

### **CRACKSEAL & SEALCOAT**

IF PROPERLY TAKEN CARE OF, CRACKSEAL & SEALCOATING CAN PROTECT YOUR ASPHALT FROM ELEMENTS LIKE WATER, OIL, OR SUN DAMAGE. THE PRODUCT IS APPLIED BY PRESSURIZED SPRAY EQUIPMENT OR BY HAND. THIS PROCESS SHOULD BE REPEATED EVERY FEW YEARS. CONTACT US IF YOU HAVE QUESTIONS ON WHETHER OR NOT YOU THINK IT'S TIME TO RE-SEAL.

### **STRIPING**

OUR STRIPING TEAM IS EQUIPPED TO STRIPE ANYTHING FROM PARKING LOTS TO BIKE LANES. THEY ARE READY TO DELIVER THE BEST POSSIBLE WORK FOR WHATEVER YOU NEED DONE. NOTHING LOOKS NICER THAN A FRESHLY STRIPED PARKING LOT. HANDICAP SPOTS, ARROWS, MIDDLE LINES, ARE JUST SOME EXAMPLES OF IMPORTANT DRIVING INSTRUCTIONS THAT WE CAN HELP WITH.
